Captain's Message

Our families cannot be safe if our neighborhoods are riddled with violence. Research shows that there's less crime where communities are working together. Help our neighborhood become or stay healthy.

Get to know your neighbors. You can't do it alone. Start, join or re-activate a Neighborhood Watch or Block Watch. Include discussions of ways neighbors can watch out for situations that might involve children or are threaten them with violence. Talk with other adults in the neighborhood about how fights among children should be handled. Who should step in? How? Under what conditions? Make sure children in the neighborhood know that adults are prepared to help stop any form of violence.

Monthly Crime Prevention Tip

Being the victim of a "carjacking" can be dangerous, even deadly. Experts theorize improvements in vehicle alarm systems, locking devices, and other anti-car theft technology, have made it more difficult to steal cars using traditional methods. Now suspects take the vehicle, keys, and other items of value from the victim while the victim is present.

Traffic Tip of the Month

If you hear a siren or see flashing lights on a street, you should: Pull over to the right when safely able to do so; Slow down and stop to make a safe lane of passage for the emergency vehicle; and, If the operator of the emergency vehicle requests you to move in a certain direction via the PA system, please do so expeditiously.

Community Safety Tip

Vehicle burglaries and vehicle thefts continue to be a concern in the Hollenbeck area despite added patrols and the arrest of several suspects. Toyotas and

Hondas continue to be the suspect's vehicles of choice. Most cars that were stolen or burglarized were parked on streets. The safe place to park your vehicle would be inside of a garage. If you don't have a garage or can't use your garage, think about parking your vehicle on the driveway and install motion sensor lights. Also getting an alarm and/ or a kill switch or a steering wheel locking device could deter or at least slow down the suspects. Don't leave cell phones, purses, tools, or any other valuables in your car. If you have a removable car stereo, take it with you.

If you see anything suspicious, call us. For non-emergency calls, call 877-ASK LAPD, (1-877-275-5273) for crimes in progress call 911.
