New Online Services for Alarm Systems

The City of Los Angeles requires that all residents and business owners that have an active alarm system have a City permit for their alarm on file with the City of Los Angeles. This permit must be renewed on a yearly basis.

The City now offers residential or commercial alarm system users the ability to manage their alarm permits over the Internet. Users can now register, renew and pay their alarm permit fees over the Internet.

These new services are available on the Office of Finance website at www.lacity.org/finance.

RESIDENTIAL BURGLARIES CONTINUE TO PLAGUE WEST VALLEY:

A recent review of the crime statistics in West Valley Area revealed that residential burglaries are holding steady. In the last two weeks of June, almost **HALF** of the burglaries committed in homes *SHOULD NEVER HAVE HAPPENED*.

Many of your neighbors continue to leave their windows open or unlocked, and doors unlocked. Burglaries are opportunistic crimes. Tell your family, friends, and neighbors to lock and secure all doors and windows. This is a crime that you can stop in its tracks.

IF YOU GIVE THE BAD GUY AN OPPORTUNITY, YOUR STUFF WILL GET TAKEN.
