**DISCIPLINE REPORT
EXECUTIVE SUMMARY
FOR
Quarter 3, 2008**

Internal Affairs Group

November 7, 2008

The Quarterly Discipline Report fulfills the reporting requirements of Consent Decree paragraph 88 regarding discipline imposed and the determination of disciplinary actions. Since this section is based on closed complaints during the quarter, it does not necessarily depict the number of complaints received or the patterns of conduct by employees during that time period. A case originating in one quarter might be closed in another quarter and not necessarily with other cases originating from the same period. Some cases may be delayed many months due to pending Board of Rights' findings or criminal filing decisions by the Office of the District Attorney.

Comparison of Discipline Imposed. Table J lists both the discipline initially proposed by the Chief of Police (COP) and the discipline as determined by a Board of Rights (BOR), by the Civil Service Commission (CSC), or as the result of an administrative appeal. For BOR cases, this includes only instances in which a sworn employee opted for a BOR in lieu of the initial proposed penalty. Where no penalty appears under Hearing Recommendation, a BOR found the employee not guilty or the discipline imposed by the COP was overturned by the CSC or through an administrative appeal.
