NEIGHBORHOOD WATCH NEWS

Hello Topanga Area!

Canoga Park, West Hills, Woodland Hills, and Winnetka,

Spring has arrived and so has our 4th issue of the Topanga Area Neighborhood Watch Newsletter! We hope you have been enjoying the Newsletter thus far while gaining important information and tips regarding the areas the Topanga Area Police Department has been handling to keep our community safe.

Captain's Corner:

We would like to thank Westfield-Topanga for donating two T3 mobility vehicles. The T3 Personal Mobility Vehicle is electrically powered. They have a top speed of 12 miles per hour and are an important new tool to enhance community policing. They allow officers to cover large areas in a short amount of time, maneuver easily through crowds and tight spaces with the maximum stability of a three-wheel design.

Remember, community awareness is the key to crime prevention!

1-877-ASK-LAPD

Use 1-877-ASK-LAPD to call for non-emergency situations such as disturbances, stolen property, vandalism, trespassing, and loitering.

1-877-ASK-LAPD is your 24-hour, toll-free connection to the LAPD and is available in English, Spanish, and TTY.

ATTENTION Business Owners: Window smashes are on the rise! Please empty your cash register and put the tray up on its side so suspects can see there is no money in it.

The Topanga station personnel serving the areas of Canoga Park, Winnetka, West Hills, and Woodland Hills are highly motivated; they continue to shine, handling an outstanding 3759 radio calls, making 512 arrests, and wrote a phenomenal 2,185 tickets from February 2nd through March 23, 2009. Let's give these men and women our deepest thanks for keeping our streets safe!

"Topanga's Goals" ... Besides a high expectation for productivity, Topanga has many goals and strategies. Through continual proactive policing and the many special details (by the officers and detectives), Topanga hopes to: reduce overall crime by 3%, gang crime by 20%, and reduce overall property crime by 3%. This goal is no simple feat; however, thanks to the strong leadership and the hardworking men and women at Topanga, this goal is not out of reach!

Significant Arrests:

Topanga burglary Det. Williams and Foster received information from two separate citizens. These citizens (who live in the affected area) provided the detectives information regarding an apartment manager who was selling narcotics— from this information and investigation, Det. Williams and Foster obtained a search warrant. The warrant was served on March 19, 2009 and led to the arrest of three people, including a CPA gang member. Two people were arrested for narcotic sales and receiving stolen property and the CPA gang member was arrested for a felony warrant with an ICE hold.

These same people are responsible for the spike in crime activity in the area as they were trading stolen property (flat screen TV's, computers, digital cameras, cell phones and video games) in exchange for narcotics and cash.

Since the arrest of these three persons the burglary detectives and patrol officers have conducted

probation checks at known criminals/gang members' residences and specialized details from Topanga have worked very hard in suppressing crime in the affected area.

Recent news my area:

This segment contains some of the activity in Topanga Division, but it is not intended to reflect all of the crimes in your area. **For the most current updates for your neighborhood, please visit www.lapdonline.org**

During the months of February and March, the Winnetka area from Mason to Winnetka and from Saticoy to Sherman Way has sustained a crime spike. The types of crimes were residential burglaries, burglary from motor vehicles (BFMV) and theft from motor vehicles (TFMV).

Please do not be a victim!

- ☞ Remember to ALWAYS lock your car.
- ☞ Use your car alarm.
- ☞ Never leave your keys in the car.
- ☞ NEVER leave items of value in plain view.

Crime is up in the area of the Fallbrook Shopping Center. Again, you can avoid being a victim by parking in well lit areas. NEVER leave items of value unattended.

Topanga NED (Narcotic Enforcement Detail) arrested a suspect on March 8, 2009 at 0255 near the 21000 block of Ventura Boulevard for possession of narcotics paraphernalia and being under the influence of a controlled stimulant.

On March 21, 2009, Topanga Vice Units made two arrests for prostitution and supervising prostitution near the 7500 block of Topanga Canyon Boulevard, fronting as a massage parlor. The Vice Officers received the anonymous citizen complaint via LAPDONLINE.ORG-LAPD WEB TIP. *This is a perfect example of how invaluable the community's eyes and ears are to the Police Department.*

There was a commercial burglary arrest made on March 6, 2009 near the 23000 block of Mulholland, when a suspect cut through the roof of a building and dropped a rope into the business.

SLO Sabra is in the process of getting the transient encampment near the Chatsworth Reservoir and Woolsey Canyon Road cleaned up. This property is owned by DWP and coordinated efforts are being made to resolve this issue.

On March 25, 2009, Officers Maldonado, Williams, and Detectives Foster, Noone, Pogue, and Rivera were in the area of Eton Avenue & Valerio when they observed four male Hispanic juveniles fleeing from the scene of a theft. All four were detained and arrested for violation of the gang injunction (166 PC).

On March 5, 2009, more outstanding police work was conducted by Officers Bean & Miyagishima when they received a radio call of burglary suspects "here now" at the 7500 block of Mason Ave. While en route, they observed two possible suspects matching the description. Victims positively identified the suspects and they were booked for burglary.

There is a problem with a suspect(s) who is targeting private gyms. While people are working out in the gym, the suspect(s) cut off the padlocks in the locker rooms and take the property. PLEASE, do not leave valuables in your locker.

Don't forget, you can now sign up for e-policing, look up crime activity in your neighborhood, and much more at the LAPD web site www.lapdonline.org or www.lapdcrimemaps.org
