III. Audit Summaries

Audit of Arrest, Booking, and Charging (ABC) Reports (125b)

On June 15, 2001, the City of Los Angeles and the United States Department of Justice (DOJ) entered into a, Consent Decree, directing the Los Angeles Police Department (LAPD) to conduct audits of its procedures and operational systems. The Los Angeles Police Department is committed to providing the public with information that facilitates a better understanding of the way in which LAPD officers carry out their law enforcement responsibilities.

Consent Decree paragraph 125 (b) specified that prior to July 1, 2001, the LAPD shall conduct an audit of Arrest, Booking, and Charging (ABC) Reports. The following is a summary of the ABC Reports audit, including findings and recommendations.

PURPOSE

The ABC Reports audit was conducted to ensure completeness of information and to evaluate reports for the following:

- Use of canned or boilerplate language
- Consistency of information
- Proper articulation of the legal basis for the action
- Legality and appropriateness of the underlying action
- Conformance with and adherence to LAPD procedures
- Any other indication that the information was not authentic or correct

The audit also evaluated the supervisory oversight of applicable incident and post-incident review, as mandated in paragraph 128 of the Consent Decree.

SUMMARY OF FINDINGS

The LAPD review of documents relating to 994 arrests revealed the following discrepancies:

- Supervisors who gave booking advice were not consistent in placing their initials and serial number at the conclusion of the narrative portion of each report, as required. Of the 480 felony arrests evaluated, only 31 reports contained the initials and serial number of the advising supervisors.
- Arrest reports narratives in 15 reports lacked articulation of sufficient facts to support the appropriateness of the action taken by the arresting officers and contained one or more of the following deficiencies:
 - Unclear basis for the initial encounter
 - Unclear basis for the arrest and/or detention

CONSENT DECREE
SEMIANNUAL PUBLIC REPORT
January 1, 2001-June 30, 2001

- Unclear basis for the transportation of detainees to the police station
- Unclear basis for searches (individuals and/or premises)
- In most cases where a pat down search for weapons was conducted, officers did not consistently articulate the officer safety concern(s) that justified the search.
- Five reports appeared to lack supervisory approval as evidenced by missing signatures, printed names rather than signed, handwriting similarities between arresting officer and approving supervisor, and an unauthorized supervisor giving booking approval.²
- Three reports did not document supervisory oversight of uniformed officers conducting narcotics observation posts.³
- Two report narratives contained canned or boilerplate language.⁴

The findings did not reveal any inappropriate patterns, issues of concern, or discrepancies in any of the following situations:

- Arrestee waived his/her Miranda Rights and made incriminating statements
- Arrestee made a spontaneous statement admitting possession of seized evidence or contraband
- Arrestee discarded evidence or contraband upon the officers' approach
- Arrestee gave officers permission to search for evidence or contraband

RECOMMENDATIONS

The findings of the audit resulted in the following recommendations:

- Report writing and approval instruction in the Sergeant, Detective, Detective Supervisor, and Watch Commander Schools should emphasize report approval considerations and the issues mentioned in this audit and the Rampart Board of Inquiry report.
- Standard roll call training for all sworn personnel should be increased on the subjects of search and seizure. This is an addition to the eight-hour Field Officer Update training for all sworn personnel.
- Amend Special Order No. 10, 2000, Booking Approval and Inspection of Arrestees, and Department Manual Sections 4/216.12 and 5/030.60, to eliminate the requirement that the investigative supervisor who provided booking advice place his/her initials and serial number at the conclusion of the narrative portion of each report. The intent of this requirement was to ensure that the supervisor who provided booking advice also reviewed the reports.

² In one case it appeared that the arresting officer may have approved his own booking and approved his own arrest report. Notification was made to the appropriate commanding officer.

³ Notifications were made to the appropriate commanding officers.

⁴ Notifications were made to the appropriate commanding officers.

CONSENT DECREE
SEMIANNUAL PUBLIC REPORT
January 1, 2001-June 30, 2001

In practice, the advising supervisor was frequently unavailable upon completion of the reports, especially in felony cases. Rather than require such approval, the standard should be for such approval to occur whenever practicable.

It was further recommended that Operations Bureau Commanding Officers initiate the following measures:

- Re-emphasize the requirements of Operations Order No. 2, 2000, Narcotics Enforcement Activities by Department Personnel, regarding supervisory approval and oversight of observation point narcotics enforcement activities.
- Ensure, through inspections, that Special Enforcement Unit personnel coordinate with the Field Enforcement Section, Narcotics Division, all investigations where the primary focus is the abating of narcotic-related crimes, as mandated by Administrative Order No. 3, 2000, Activation of the Special Enforcement Unit.
- Increase random reviews of ABC report approvals at Areas, including specialized Divisions.

FOLLOW-UP

Audit Division is responsible for follow-up and tracking of proposed significant actions resulting from this audit. The findings of this audit have been forwarded to each Bureau Commanding Officer for appropriate action regarding the identified discrepancies and implementation of the recommendations.

The Los Angeles Police Department is committed to providing the public with information that facilitates a better understanding of the way in which LAPD officers carry out their law enforcement responsibilities.

Consent Decree paragraph 125 specified that prior to July 1, 2001, the LAPD shall conduct an audit of Confidential Informant (CI) Packages. The following is a summary of the CI Package audit, including findings and recommendations.

PURPOSE

The CI Package audit was conducted to ensure compliance with LAPD policies and procedures and to comply with audit requirements set forth in the Consent Decree. The audit included all LAPD entities that maintained CI packages and all existing CI packages. The audit revealed that the majority of CI packages were in compliance with LAPD policies and procedures. Ambiguity and inconsistencies in LAPD policy may have led to discrepancies in some CI packages and limited the use of confidential informants. Distribution of the new Confidential Informant Manual will ensure consistency throughout the Department and facilitate the effective and efficient use of confidential informants as an investigative tool.

SUMMARY OF FINDINGS

The audit revealed that most CI packages were well organized and contained all of the required information. Canned or boilerplate language was not found, and all packages were properly initiated and maintained in a secure location.

Some CI packages did not contain the most updated version of each form, and there was general confusion regarding the mechanics of the packages, e.g., the proper order and completion of forms. Additionally, although Operations Order No.1, dated January 14, 2000, outlined the contents and procedures for properly maintaining CI files, the order did not indicate whether old files should be updated to comply with the order. Prior to Operations Order No.1, a standardized method for maintaining CI packages did not exist.

Although a few packages did not reflect the required periodic supervisory review, it was noted that LAPD policy requires a relatively high level of supervisory oversight.

RECOMMENDATIONS

The findings of the audit resulted in the following recommendations:

- LAPD entities should ensure continued compliance with LAPD policies and procedures relative to the completion and maintenance of informant packages.

- All CI packages should be brought into compliance with the new Confidential Informant Manual upon its distribution. The new standard should be applied to existing and new packages.
- Confidential Informant packages that are no longer active should be removed from the active files and stored in compliance with existing record retention procedures.
- Reviewing supervisors should closely scrutinize CI files, directing specific attention to the following areas:
 - Logbook entries regarding payment(s) to a CI
 - Ensure that the informant payment worksheet is properly reviewed and initialed
 - Ensure that all information is accurate and complete
 - Ensure that all criminal record information is documented
 - Ensure that the officer's logbook clearly reflects the amount of a buy versus a payment to the CI
- The proper use of CIs and completion and maintenance of CI packages should be re-emphasized at all LAPD Supervisor and Detective Schools.

FOLLOW-UP

Audit Division is responsible for follow-up and tracking of proposed significant actions resulting from this audit. The findings from this audit have been forwarded to each Bureau Commanding Officer for appropriate action regarding the identified discrepancies and implementation of the recommendations.

Audit of Search Warrant Applications and Affidavits (125a)

ON JUNE 15, 2001, THE CITY OF LOS ANGELES AND THE UNITED STATES DEPARTMENT OF JUSTICE (DOJ) ENTERED INTO A CONSENT DECREE DIRECTING THE LOS ANGELES POLICE DEPARTMENT (LAPD) TO CONDUCT AUDITS OF ITS PROCEDURES AND OPERATIONAL SYSTEMS. THE LOS ANGELES POLICE DEPARTMENT IS COMMITTED TO PROVIDING THE PUBLIC WITH INFORMATION THAT FACILITATES A BETTER UNDERSTANDING OF THE WAY IN WHICH LAPD OFFICERS CARRY OUT THEIR LAW ENFORCEMENT RESPONSIBILITIES.

CONSENT DECREE PARAGRAPH 125 (A) SPECIFIED THAT PRIOR TO JULY 1, 2001, THE LAPD SHALL CONDUCT AN AUDIT OF SEARCH WARRANT APPLICATIONS AND AFFIDAVITS. THE FOLLOWING IS A SUMMARY OF THE LAPD SEARCH WARRANT AFFIDAVITS AUDIT, INCLUDING FINDINGS AND RECOMMENDATIONS.

PURPOSE

THE SEARCH WARRANT AFFIDAVITS AUDIT WAS CONDUCTED TO ENSURE COMPLIANCE WITH LAPD POLICIES AND PROCEDURES AS WELL AS SPECIFIC ITEMS DETAILED IN THE CONSENT DECREE. THE AUDIT WAS CONDUCTED DEPARTMENT-WIDE AND INCLUDED A LARGE SAMPLE OF SEARCH WARRANTS SERVED DURING THE YEAR 2000.

SUMMARY OF FINDINGS

AFFIDAVITS GENERALLY MET LEGAL AND LAPD STANDARDS FOR OBTAINING AND SERVING SEARCH WARRANTS AND SUPERVISORY OVERSIGHT OF THE SEARCH WARRANT PACKAGES WAS EXCELLENT. NARRATIVES IN THE MAJORITY OF SEARCH WARRANTS WERE WELL WRITTEN, ARTICULATE, AND CONTAINED THE REQUISITE PROBABLE CAUSE. EACH SEARCH WARRANT ARTICULATED ITS OWN UNIQUE SET OF FACTS AND CIRCUMSTANCES AND DID NOT CONTAIN REPETITIVE, CANNED, OR BOILERPLATE LANGUAGE.

IN MANY SEARCH WARRANT AFFIDAVITS, THE AFFIANT APPROPRIATELY USED PEOPLE VS. SIMPSON, THE PUBLIC SAFETY EXCEPTION TO THE MIRANDA WARNING. SEARCH WARRANT PACKAGES WERE WELL ORGANIZED AND, IN ALMOST EVERY INSTANCE, ALL APPLICABLE REPORTS WERE INCLUDED. POST-INCIDENT REPORTS WERE WELL WRITTEN AND EXTREMELY DETAILED.

IN AN EFFORT TO MINIMIZE USES OF FORCE AND TO INCREASE THE PROBABILITY OF RECOVERING EVIDENCE, MOST SEARCH WARRANTS CONTAINED A DETAILED TACTICAL PLAN THAT INCLUDED ASSIGNED DUTIES AND A DRAWING OR SCHEMATIC OF THE LOCATION. SUPERVISORS WERE ALWAYS PRESENT DURING THE SEARCH AND FREQUENTLY ASSISTED WITH THE INVESTIGATION. ADDITIONALLY, THE BEFORE AND AFTER CONDITIONS OF THE LOCATION WERE GENERALLY WELL DOCUMENTED TO REDUCE EXPOSURE TO CIVIL LIABILITY ISSUES.

THE AUDIT ALSO REVEALED THAT THERE WAS NOT A STANDARDIZED MANNER IN WHICH SEARCH WARRANTS WERE LOGGED, TRACKED, OR MAINTAINED CITYWIDE. WHILE SOME LAPD ENTITIES HAD THOROUGH AND METHODOICAL SYSTEMS IN PLACE FOR DOCUMENTING AND TRACKING SEARCH WARRANTS, OTHERS DID NOT.

RECOMMENDATIONS

THE FOLLOWING RECOMMENDATIONS WERE MADE AS A RESULT OF THIS AUDIT:

- GUIDELINES SHOULD BE DEVELOPED AND IMPLEMENTED THAT DELINEATE A STANDARD PROCESS FOR LOGGING, TRACKING, AND DOCUMENTING THE SERVICE OF SEARCH WARRANTS.⁵
- THE DEPARTMENT SHOULD STANDARDIZE THE REQUIREMENTS FOR THE CONTENTS OF A SEARCH WARRANT FILE. A STANDARDIZED SYSTEM WILL ENSURE THAT INVESTIGATORS HAVE ACCESS TO ALL DOCUMENTS RELATING TO THE ISSUANCE OF THE ORIGINAL SEARCH WARRANT.
- WHEN A STANDARDIZED SYSTEM IS DEVELOPED AND IMPLEMENTED, IT IS RECOMMENDED THAT SEMI-ANNUAL AUDITS BE CONDUCTED TO ENSURE COMPLIANCE WITH THE NEW POLICIES.
- A COPY OF THE EMPLOYEE'S REPORT, FORM 15.7, SHOULD BE MAINTAINED WITH COPIES OF THE AFFIDAVIT SO THE PRESENCE OF SUPERVISORY OVERSIGHT IS READILY APPARENT.

FOLLOW-UP

AUDIT DIVISION IS RESPONSIBLE FOR FOLLOW-UP AND TRACKING OF PROPOSED SIGNIFICANT ACTIONS RESULTING FROM THIS AUDIT. THE FINDINGS FROM THIS AUDIT HAVE BEEN FORWARDED TO EACH BUREAU COMMANDING OFFICER FOR APPROPRIATE ACTION REGARDING THE IDENTIFIED DISCREPANCIES AND IMPLEMENTATION OF THE RECOMMENDATIONS.

⁵ THE CREATION OF AN INVESTIGATIVE WARRANT TRACKING SYSTEM WAS MANDATED BY THE CONSENT DECREE AND IS CURRENTLY UNDER DEVELOPMENT. ONCE THAT SYSTEM IS IN PLACE, IT WILL ADEQUATELY CAPTURE SEARCH WARRANT AFFIDAVIT DATA.

AUDIT OF SPECIAL ENFORCEMENT UNITS (SEU) (125 D)

On June 15, 2001, the City of Los Angeles and the United States Department of Justice (DOJ) entered into a Consent Decree directing the Los Angeles Police Department (LAPD) to conduct audits of its procedures and operational systems. The Los Angeles Police Department is committed to providing the public with information that facilitates a better understanding of the way in which LAPD officers carry out their law enforcement responsibilities.

Consent Decree paragraph 125 (d) specified that prior to July 1, 2001, the LAPD shall conduct an audit of Special Enforcement Units (SEU). The following is a summary of the LAPD SEU audit, including findings and recommendations.

PUPOSE

In March 2000, pursuant to Department Administrative Order No.3, dated March 6, 2000, Community Resources Against Street Hoodlums (CRASH) Units were deactivated, and Special Enforcement Units were created. In June 2000, a Department-wide audit assessing gang enforcement efforts of CRASH units was completed. The audit involved an inspection of operational procedures and the management of gang information, and encompassed a period between January 1, 1999, through April 8, 2000. The following summary, findings, recommendations, and follow-up resulted from the Supplemental Audit of SEU completed in June 2001.

The supplemental audit of SEU was conducted to monitor compliance with LAPD policies and procedures between March 2000 and May 2001. This audit focused specifically on the following four areas mandated by the Consent Decree:

- Gang Detail Personnel Selection Criteria
- Warrant Applications
- Use of Force Incidents
- Supervisory Responsibilities

SUMMARY OF FINDINGS

Gang Detail Personnel Selection Criteria

A review of SEU Tracking Forms and Performance Evaluation Reports revealed that each of the 32 officers and supervisors met the following selection criteria:

- Rated as proficient in their duty performance
- Demonstrated leadership capabilities
- Rated as strong or competent in all categories of work performance
- Outstanding personal qualities were noted

CONSENT DECREE
SEMIANNUAL PUBLIC REPORT
January 1, 2001-June 30, 2001

All Gang Detail personnel selection processes were reviewed and approved by the respective Bureau Commanding Officer before a selection was made.

Warrant Applications

Only two search warrants and one probable cause to arrest warrant were obtained by SEU during this audit period. All three were reviewed for completeness, authenticity, and legality, and all three were in compliance with LAPD procedures. No incidents were found in which canned language was used.

Use of Force Incidents

Fifteen Use of Force (UOF) Reports were audited. The audit revealed the following levels of review for each UOF incident:

- First level supervision (sergeant or detective supervisor)
- Watch Commander
- Area Commanding Officer

Copies of the UOF reports are sent to the respective Bureau of occurrence, Training Division, and ultimately, to Human Resources Bureau for review.

The audit revealed that UOF reports and all related documents were generally accurate, complete, and contained no canned or boilerplate language. The reports had proper supervisory review, investigation, and signatures. Associated reports contained well-articulated rationale to support the level and type of reasonable force utilized in each situation and all were consistent with LAPD policy. Discrepancies found in the UOF reports were limited to minor omissions of information; however, the missing information was reflected elsewhere in the same report or in other related reports.

Supervisor's Responsibilities

The following discrepancies were noted:

- Gang Detail personnel in one Division maintained their assigned ASTRO radios in their assigned police cars, rather than in the kit room as required.⁶
- One Division did not have documentation reflecting whether or not Gang Detail personnel checked-out their equipment from the kit room.⁷
- One incident was found in which the Daily Work Sheet did not reflect the name of the supervisor who was actually assigned to the detail on that day.⁸

⁶ Notification was made to the appropriate Commanding Officer.

⁷ Notification was made to the appropriate Commanding Officer.

⁸ Notification was made to the appropriate Commanding Officer.

SEMIANNUAL PUBLIC REPORT
January 1, 2001-June 30, 2001

RECOMMENDATIONS

The findings of the audit resulted in the following recommendations for each of the four criteria set forth in the Consent Decree:

Gang Unit Selection Criteria

Area SEUs should maintain and secure its job application files in the office of the Operations-Support Division Commanding Officer.

Warrant Applications

Special Enforcement Unit supervisors should be accountable for working more closely with Area detectives to develop warrant applications. This will enhance gang crime investigations and enforcement efforts.

Use of Force Incidents

Supervisors should be reminded to closely examine all UOF reports prior to their approval to eliminate the minor discrepancies found during the audit.

Supervisor's Responsibilities

All Areas should ensure that Gang Details comply with equipment check-in/check-out requirements. Additionally, the Daily Worksheet should be reviewed to ensure that it accurately reflects the line-up.

FOLLOW-UP

Audit Division is responsible for follow-up and tracking of proposed significant actions resulting from this audit. The findings from this audit have been forwarded to each Bureau Commanding Officer for appropriate action regarding the identified discrepancies and implementation of the recommendations.
